

## Community Service

Throughout the year students are involved in greeting card ministry, visiting the elderly, preparing Christmas boxes, and performing religious programs for church services and other religious church-related activities.

## Spiritual Life

A child at Cross Street Christian School will receive interactive Christian studies through Bible classes and prayer.

The school day begins with Bible reading and prayer. Spiritual emphasis is given to every aspect of classroom instruction.

Students enjoy a curriculum interwoven with Bible history, art and culture with Jesus Christ as their focus.

## Curriculum

Cross Street Christian School is in the business of creating thinking Christians committed to a faith in Jesus and His commandments.

Our students typically achieve beyond their expected ability, and the longer a student remains in the Adventist system, the higher their achievement level.

## Classroom

Our certified teachers and staff are highly qualified and hand-selected for their posts.

They teach to the whole child, giving him/her a transforming educational experience with a Bible-based curriculum, the latest teaching methods and emerging technology.

Students experience optimal classroom size and student-teacher ratio.
